### RE: The Sunnyside Longevity Project Survey

Dear Resident, Organizational Partner or Supporter.

After working in Sunnyside for several years, to create a safer and more prosperous community, the Sunnyside Neighborhood Association of Flagstaff, Inc. (Sunnyside Neighborhood Association) have made steps to launch a new program, **the Sunnyside Longevity Project**, to benefit all the residents.

**The Sunnyside Longevity project** is working with several partners to ensure the residents experience foundational health, wellness and economic prosperity. This includes educating and raising capacity among neighborhood healthcare professionals and organizations in Sunnyside.

**The Sunnyside Longevity Project** will be offering classes and workshops in several different areas, well-being, health, and healthcare in Northern Arizona.

We need your help! We ask that you take a moment and complete a survey regarding **the Sunnyside Longevity Project**.

This survey is looking for the interests residents have concerning these topics. By knowing what the residents wish to learn about their health, **the Sunnyside Longevity Project** can begin to offer those classes to the public.

Here is the link to **the Sunnyside Longevity Project** survey. We ask that you complete it by Friday, July 22<sup>nd</sup>, 2016. It should take you between 4-7 minutes to complete it.
